

## Magic Blender—Ice cream & fresh fruit, an unforgettable taste!

Ice cream, dessert or just a taste sensation? Now you can offer your customers their favorite ice cream, mixed with fresh berries or fresh fruit. Magic Blender is a further development of existing machines and different from other similar machines by their unique characteristics. Magic Blender is simply the best option

### Om Magic Blender:

- All parts are factory tested prior to delivery
- Equipped with:
  - Mixing screw made of stainless steel with a high finish for the best hygiene. Computer designed and precision manufactured
  - The ergonomically designed arm makes the blending process very easy
  - Electric rinse valve for effective cleaning and continuity processing
  - Linear Teflon bearing (industrial grade) for low friction and long life

### How to make dreamy ice cream on Magic Blender:

- Let your customer choose from fruit, nuts, chocolate chunks, lentils, cookies, marshmallows, candies, candied fruit, etc.
- 
- Fill the hopper with your customer chose and his favorite ice cream in the desired quantity.
- 
- Pull the lever and the machine starts and mixes the products. The finished product is outputing by a spray nozzle that provides a star-shaped ice cream strand.

- Serve in waffle, cup or cocktail glass.
- Release the lever. The machine will stop and return to the start position.

**Optional:**

- **Mobile stand.** Heavy duty construction. 100 % stainless steel . Wheels are included, two wheels with locks. Equipped with stainless steel sink. Ready to hook to plumbing. Or a bucket can also be used to flush the water.
